during the period 25 January through the first week or ten days of February. His detailed itinerary will be cabled.

2. He is particularly interested in talking with those people in the Station who have a direct knowledge and solid understanding of operations that require technical support. He is not coming out to seek your approval of equipment now available, but rather to get your ideas about how best to spend research money, what problems to try to solve, and what types of solutions you think might be operationally feasible.

3. In talking with him, I have recommended that he talk with [redacted] 25X1A

[redacted] He will, of course, be seeing his own people. You may wish to add names to this list and I would encourage you to do so.

4. [redacted] would seem 25X1A
to be the obvious point of departure, and again, recommend other names.

5. [redacted] should be 25X1A
commended for their insights into [redacted]. It might be a good idea to have 25X1A
him talk to [redacted] to find out what [redacted] considers to be his 25X1A
particular technical requirements. 25X1A

6. Additionally in [redacted] we would suggest that he see [redacted] 25X1A
